

<p>Say what you feel I think that... In my opinion... I must say that I... I feel that...</p>	<p>Agree completely I agree and I also think... Yes, you are right! Also...</p>	<p>Agree in part I agree, but... I see your point, however... True, but on the other hand...</p>
<p>Get a friend talking What do you think of that? What is your opinion? Do you have an example? How do you feel about that?</p>	<p>Disagree completely I disagree. In my opinion... I really don't share your thoughts...</p>	<p>Disagree in part I don't quite see it like that, but rather... You are right in some parts, however... At the same time...</p>
<p>Ask for more info What do you mean? Could you explain that, please? Could you give an example?</p>	<p>When you don't get along Let's just agree to disagree on this one?</p>	<p>At the end To wrap this up, let's say that... If we sum this up, we think...</p>
