Amy and Holly reunite after being apart during the summer. Holly is excited to tell Amy about Justin

Lewis coming to Collinsville and that she will write for his new album. To welcome Justin, Holly needs

Amy's help to plan a \_\_\_\_\_ . Amy feels guilty, because she promised Savannah that

she would \_\_\_\_\_ her favourite series with her. She doesn't want Savannah to feel \_\_\_\_\_ so after some convincing, Holly agrees that Savannah can come to the bonfire too, as long as she \_\_\_\_\_ and keep it \_\_\_\_\_.

Heather is annoyed that her friends only care about their \_\_\_\_\_. She accidentally joins them, and it turns out she is pretty good at dancing too and that she actually enjoys it. The teacher just asks her to wear proper \_\_\_\_\_ for the final trials. In the end, all three friends make the trials and are excited when they plan their new interest and the road trips they will go on.

**B. Read the whole text out loud from start to finish. Take turns reading. Ask each other about words that you might not understand.**

**C. Dolly Parton**

Justin calls Holly "Holly Parton". In the previous episode Holly's dad bought a T-shirt saying "What would Dolly do?" and in the first episode Holly and her dad ran around in blonde wigs. Who is Dolly Parton? And what is she famous for?

**1. Have a discussion in your class and make a mind map together about what you already know about Dolly Parton. Write down your notes from the discussion on your own mind map here:**

**5. Write a text using your own words about Dolly Parton from what you now know. Use your mind map and key words for support.**
