

# Sånger med TAKK

An illustration featuring two hands, one on the left and one on the right, reaching upwards. The hands are rendered in a light, textured yellowish-brown color. The background is a vibrant red with some darker, textured brushstrokes. The text 'Sånger med TAKK' is written in a white, rounded, sans-serif font, with 'Sånger' on the top line, 'med' in the middle, and 'TAKK' in a larger font on the bottom line.

## God morgon

Starta dagen med en glad sång.

UR

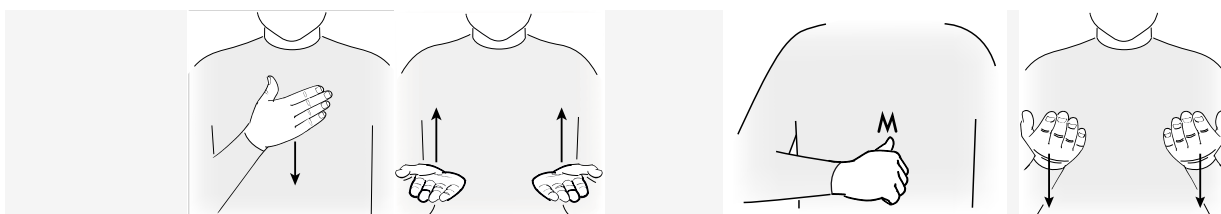

Godmorrön, vakna och var glad

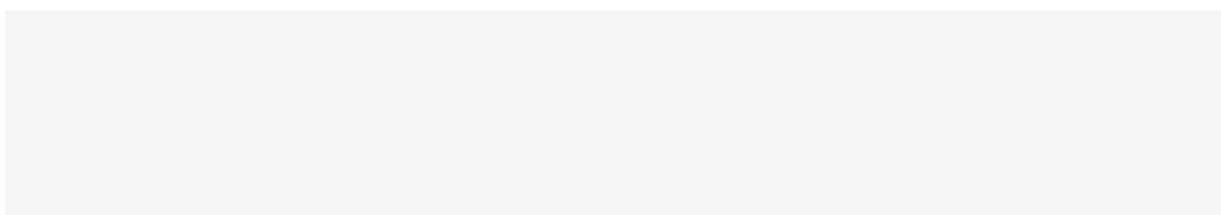

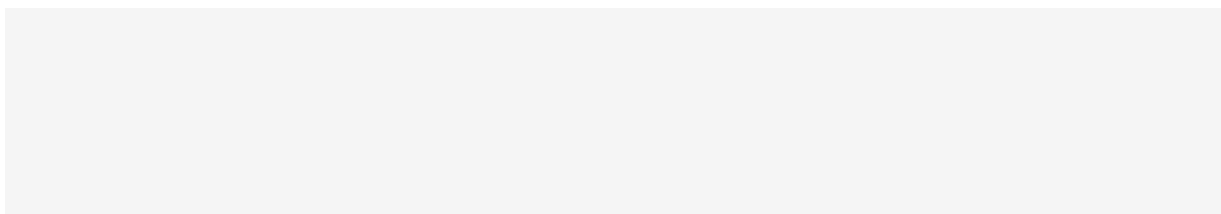

Godmorrön, till en rolig dag!

Godmorrön, vi ska ha det bra

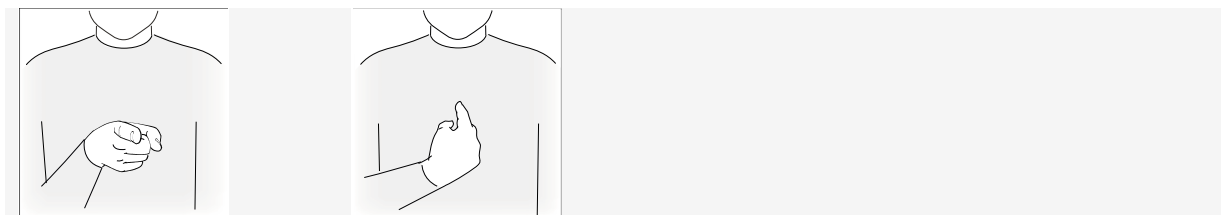

vi säger godmorrön till en rolig dag!

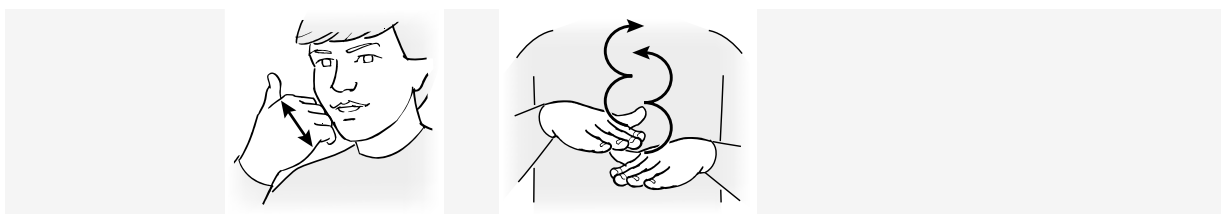

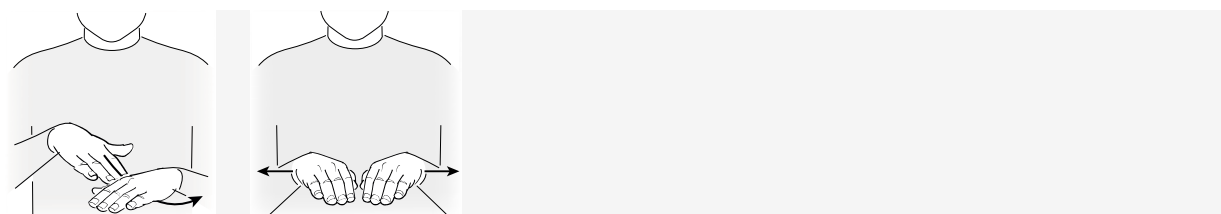

För vi kan hoppa, skutta o skoja

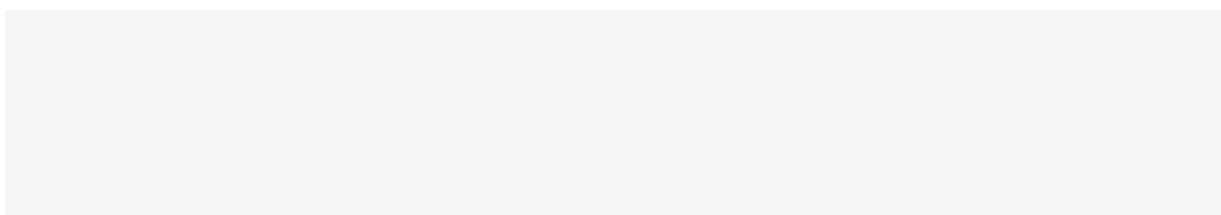

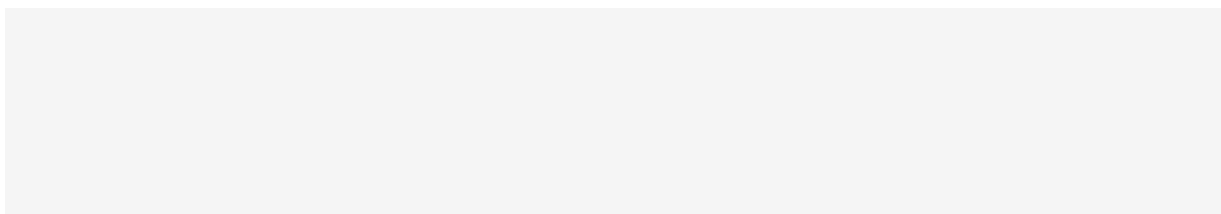

du och jag

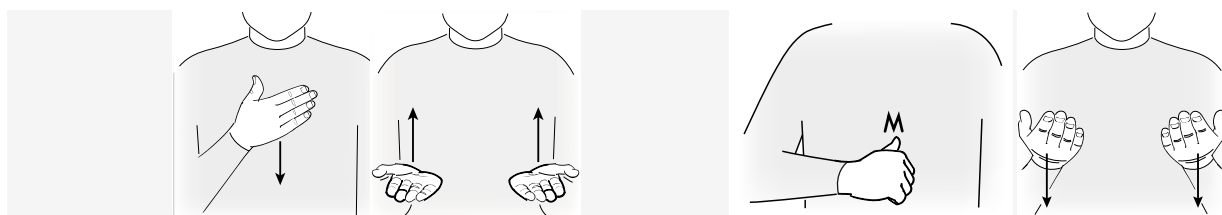

och vi kan leka o bygga en koja

under bordet kan vi va'

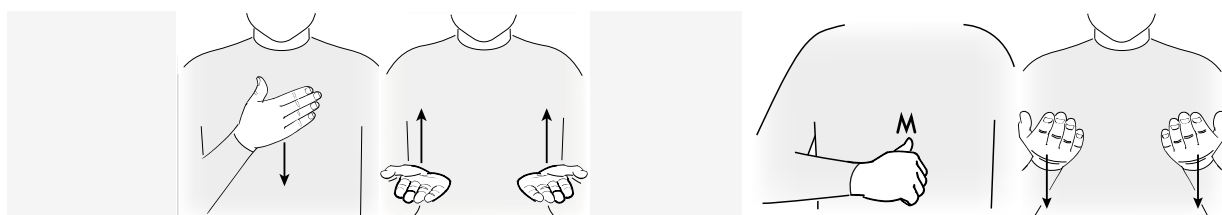

vi säger

godmorrön

till en

rolig

dag!

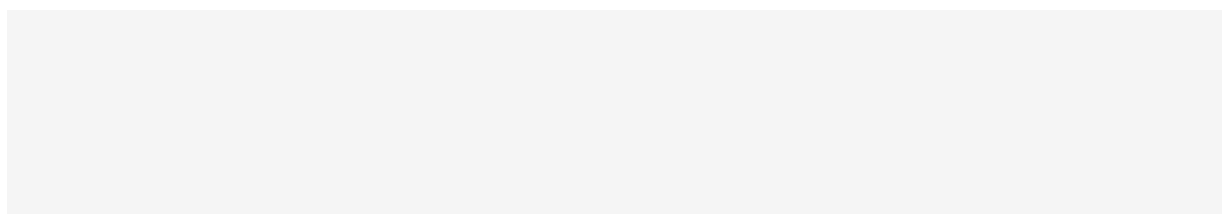

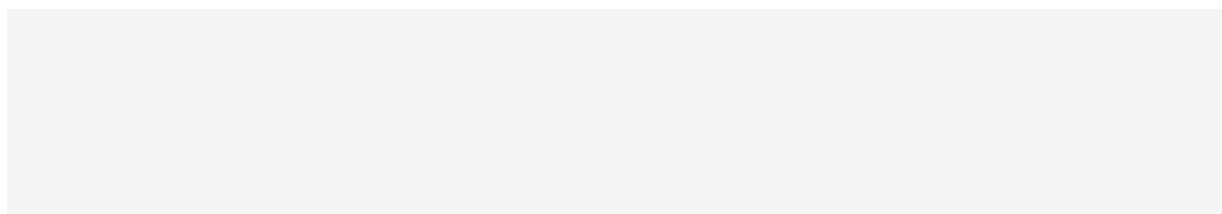

vi säger

godmorrön

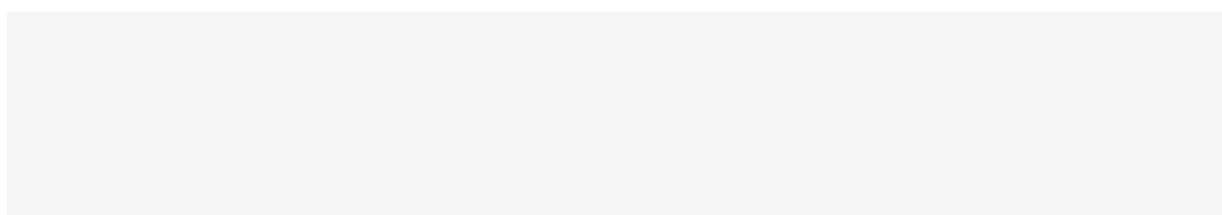

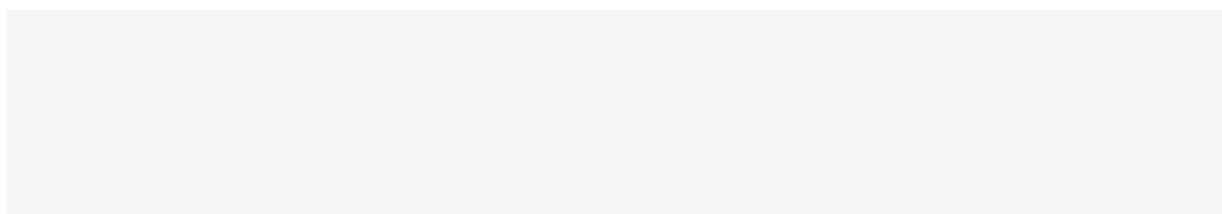

till en

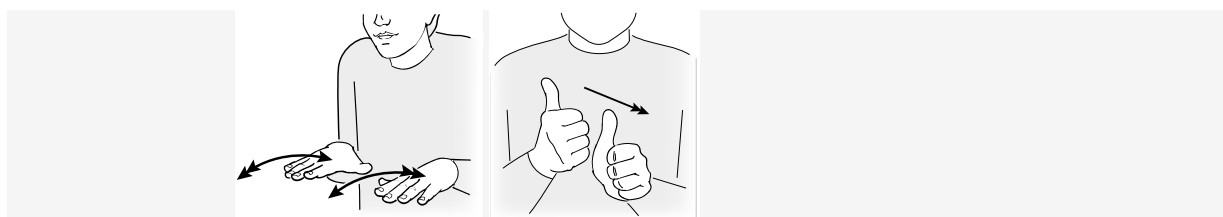

rolig

dag!

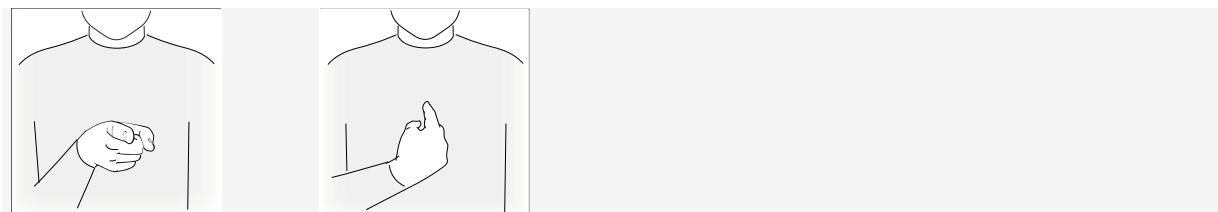

Solo visser

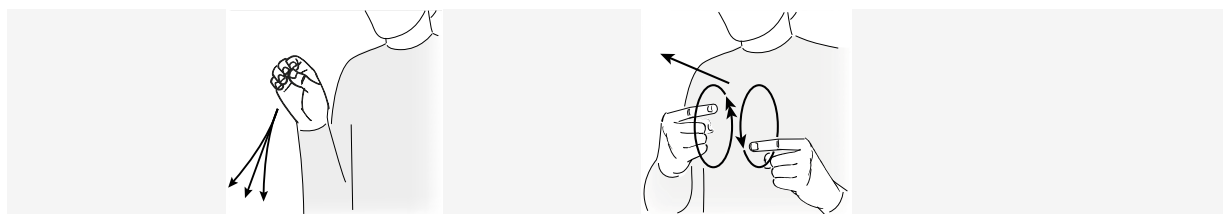

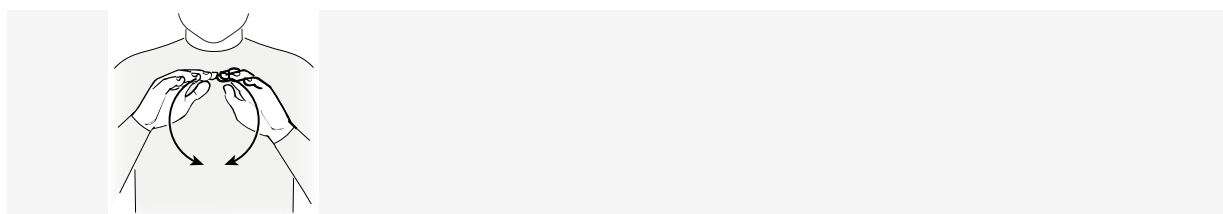

Ja, vi kan smyga, jaga o kulla

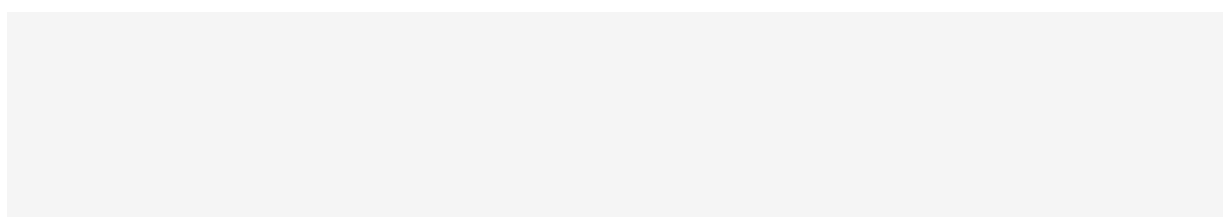

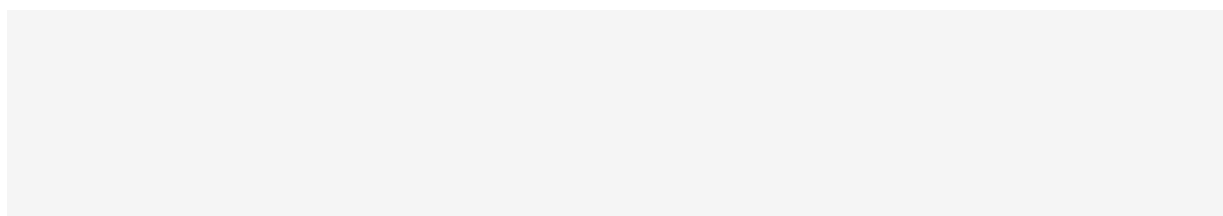

du och jag

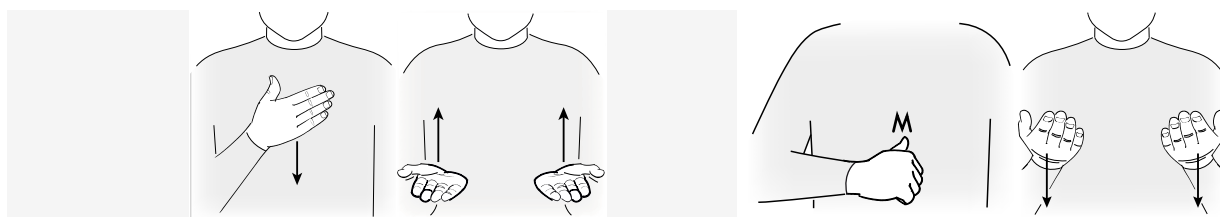

och vi kan kasta, fånga o rulla

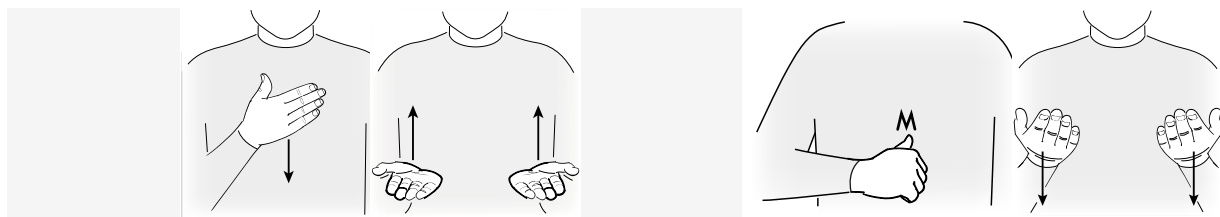

alla bollarna idag

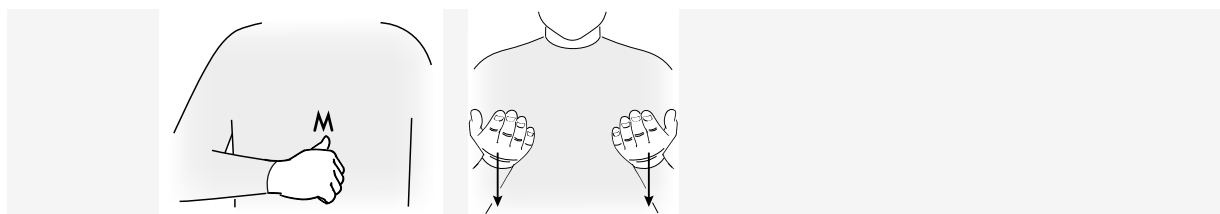

vi säger      godmorrön      till en      rolig      dag!

vi säger      godmorrön      till en      rolig      dag!

till en      rolig      dag
